Announcements on COVID - 2019

Dear Parents/Guardians,

Thank you for your support as we deal with the current COVID-19 situation in schools. We would like to urge all parents to continue to exercise vigilance and encourage our children to take the necessary precautionary measures. More information on the precautions taken in schools is available through the following link:

Updates as of 20th March 2020

Please take note that BTTSAL has directed that with effect from **21 March to 4 April 2020** (both dates inclusive), classes at both centres will be suspended and the second term will commence on **11 April 2020** instead of 28 March 2020. (Note that mainstream schools will continue to function until further notice from MOE). In line with this all primary and secondary classes held at Beatty Secondary School and SSEF Kindergarten will be suspended.

Teachers will get in touch with all students on home-based learning during the three weeks. More information will be relayed to students on this over the weekend.

Please also note that the BTTSAL examinations will be postponed for two weeks as follows:
